

Heat Map by RC or Genre, 3-8

Step 1: Login and Click on **State Assessment**

Step 2: Click on **Trend Reports** using the **Reports** dropdown menu at the top of the page or the icon on the screen.

Step 3: Choose the **District**, **Year**, and **Subject**. Select the **Grade** tab and choose **ELA Grade Performance by Genre** for ELA/R OR **Grade Performance by Reporting Category** for ELA/R, math, science or SS. Also Choose PDF before you hit submit in case you decide to save the document to your computer.

The screenshot shows the 'Trend Reports District' web application. The interface includes a left sidebar with filters for Region, Source, Demographics, and Format. The main area has tabs for District, Year, and Subject, and a 'Grade' tab. Two blue callout boxes with arrows point to the 'Grade' tab and the 'ELA Grade Performance by Genre' option. Red circles highlight the 'District', 'Year', and 'Subject' dropdowns. A blue callout box with an arrow points to the 'generate' button at the bottom left.
